

The diagram shows a dark purple rectangular envelope layout. It features a dashed white outer border and a solid orange inner border. On the left side, there are two vertical arrows: a longer orange one and a shorter white one. The text 'Linie ořezu' is positioned between these arrows, with a white line pointing to the top edge of the orange border. Below this, the text 'Text 4 mm od okraje' is written in orange. On the right side, the letters 'DL' are printed in a large, light purple font. At the bottom right, there are three lines of text in orange and white, providing dimensions for text placement and the envelope itself.
